TEAL

My sister was always the smart one and I was, and still am, the athletic one. My sister was jealous of me growing up because I graduated with all sorts of awards in my high school. When I went to college, I discovered more than my athletic events and my studies. I discovered boys. And I let them discover me. I got married right out of college and bored with my hubby two years later. So I play with myself and other guys behind his back all the time.

where the boys aren't

She joined an all-girl health club to get away from leering wolves... and wound up in a den of lesbianism instead!

I had grown tired of all the leers and ogling from guys at the health spa I was part of. I do look good—at 35, I have a firm 36DD-23-36 body, and I've been working out for 12 years now to keep this figure.

But the spa scene has become a lot like a bar: Staring, ogling, people whispering obscene comments under their breath. And I'd grown tired of it. Having a very diverse sex life with my husband, I don't want or need to cheat on him. I joined the club to work out, not to attend a meat market.

So I quit that club and joined Margo's, across town. Margo's is a health spa created by girls, for girls. No guys there.

My friend Shelly told me about it. She's a member, and she gave me the grand tour. I was impressed. I heard some of the members talking about a climbing wall that was to be installed. Climbing it would work muscle groups conventional weights don't. I figured with some modification I could knock my workout time in half, using such a wall. That was an added incentive for me to join, and I did.

It's great there! We girls don't have to worry about what we look like. We show up in baggy sweats and work out. Yet that doesn't mean there are no sexual undercurrents here, though it took a couple of weeks for me to notice them, even working out four to five times a week as I do. It was most noticeable in the locker and shower rooms. There

was a different energy level noticeable in there.

I felt stupid when it finally dawned on me. The energy charge that exists there is sexual; a spa such as this is a prime spot for lesbianism—naked or near-naked ladies everywhere you turn, many of them in very good condition. I was uncomfortable at first, but I gradually got over it. And, honestly, I started admiring some of the bodies I saw.

At first, my admiration was the same as what you might feel in a museum or gallery. It was theoretical, not visceral. My feelings ranged from awed admiration to envy, but they didn't dip down to my cunt. With my husband taking such good care of my sexual needs, I wasn't motivated to look elsewhere for fun or satisfaction. And I'd never wandered on the bi side before.

Some of the bodies at the spa, though, were certainly worth noticing. Take Erica, for example. She's about five-ten and a bodybuilder. At first sight, I thought her body was grotesque. But as time passed I found her muscles to be sexy. Her figure was enhanced by her strength. Her tits were firm, tipped with light pink areolae. She had a six-pack most guys would die for. Her beefy thighs rippled with sinewy muscle, meeting like twin columns at her cunt, which she kept trimmed. A thin line of pubes ascended a couple of inches from a point just above her clit.

She has long, straight, black hair halfway down her back. High cheek-

I was ready to burst, feeling all this delicious pleasure build up inside

bones accentuate almond-shaped brown eyes. She looks a touch exotic—perhaps a Native American. I felt myself stealing looks at her in the shower and the locker room, and my cunt twitched and throbbed when I looked at her.

Out of the blue one day, she approached me in the shower room. “Hi,” she said, holding out her hand. “I’m Erica.”

We shook hands as we stood there, naked. I’m five-nine, so she is only a tad taller than I am. “I’m Marta,” I said. My eyes raked her body quickly and surreptitiously. All of a sudden I needed to feel her mouth on my cunt. I didn’t know where that had come from, but it hit me hard. My cunt was suddenly wet with heat. It was a new lust to me, and I gasped. I had never been hit with lust like that before.

Guys often say that when they lust and don’t get any, they hurt. Now I appreciated that, because this lust took the form of an ache, a deep, throbbing pulse in my cunt. I felt myself swell inside, it was so sharp.

Before I could think, I reacted. Tugging on her hand, I pulled her toward the shower on the end. The showers are stalls, perhaps six feet by six feet. Brick walls surround them, with a little walkway that opens into each stall. They supply complete privacy.

We had both just finished showering, but I was ready for another. Indeed, I needed another.

Erica let me pull her into the shower, following me with a smile on her face. I turned on the spray and grabbed her by the back of her head. Pulling her to me, I locked my lips to hers and thrust my tongue into her mouth. I pistoned it in and out of her gently sucking mouth like a little dick. My cunt ignited, and I felt the waves of a mild orgasm flood me.

When we broke the kiss, I pulled her to me and embraced her. Her tits were firm against mine, and our nipples brushed across each other’s. That added to my delight. The feel of another girl is truly magnificent. Robert, my husband,

had always told me if I ever tried another girl I’d never be the same. He suggested that if I once tried another girl, he would lose me. That won’t happen. But he was half right: I’m surely not the same.

“Oh god!” I gasped in her ear. “I need you to eat me! Get on your knees and lick me off? Pleeeeeeeeeeeease?” Erica said nothing but slipped to her knees to give me what I wanted so badly.

I looked down at her. Standing with my legs parted wide, I leaned against the back wall of the shower stall and jutted my sopping cunt out as far as I could for her. She kissed up my inner thighs a little, gently licking the sensitive flesh as she went. The closer she got to my eager cunt, the more sensitive I got. I was squirming by the time I felt her tongue lash my lips.

It parted them, slipping into the raw, quivering pink flesh. As it slid over my soaked slit, feeling like velvet on my silk, a tremor rippled through my haunches. That exquisite tongue slashed up the length of my cunt-flesh and over my clit with one smooth stroke. It nearly brought me off. Just that one stroke of her tongue nearly made me come.

She repeated that stroke a couple of times before stopping and lightly blowing on my swollen clit. The contrast of her warm, smooth, wet tongue and cool breeze she blew drove me half insane. The warm water sluicing over my mons added to the pleasures she was giving me.

I was ready to burst, feeling all this delicious pleasure build up inside like an overstressed dam that would give at any second. She brought her lips to my clit and started to suck on it, lightly digging her teeth into the tender spur as she stabbed it with her tongue.

Without warning, I felt two fingers plunge into the spasming, gushing depths of my hot cunt. I screamed. I couldn’t help it. I was right on the cusp of erupting from her mouth’s skilled ministrations when she started finger-fucking me with a wanton abandon.

I knew someone had to have heard

I know how I like to be eaten. Why not just do the same things to her?

us, but at that moment I didn't care. Her fingers remained knuckles-deep inside me, and she scissored them as she turned her hand from side to side.

She cocked her hand back toward my butt, so she could continue sucking my clit. My body was shuddering and convulsing, an intense, fiery-hot orgasm shooting through it. There was no control on my body, and it jerked and twitched in the throes of this heavenly pleasure.

When it did end, I slumped to my butt. As I sank down, Erica parted her thighs to let my legs slip between hers. As I sat there gasping for breath, she got up on her knees and leaned back. Supporting herself with her left hand, she slowly used the tip of her right index finger to massage her own clit.

Seeing her in need, I scooted myself onto my back. "Lemme do that for you," I gasped, still trying to catch my breath.

When I was flat on my back, she walked on her knees, straddling my body. A dreamy look of lust filled her eyes, giving them a smoky hue. Her muscular thighs rippled with every move she made. Her cunt was a thin crease whose lips were parted with lust. The hot pink inside was winking at me, almost beckoning. I could just about hear those labia calling to me.

Slowly she lowered her sexy cunt to my face and brought it to my mouth. I was a little nervous because I'd never done anything like this before. But I figured, how hard could it be? I know how I like to be eaten. Why not just do the same things to her?

I lapped at her cunt, giving her full strokes with my tongue flattened. I added some pressure to it and sank it between her juicing lips. Her creamy cunt tasted great! And the aroma of musk sent my senses reeling.

After sinking my tongue into her, I pulled it out sharply, creating a suctioning sound as well as vibrations, and these brought her off. She told me later that she had only gotten such strong vibrations from toys until then.

Over and over I shot my tongue into

her, flattening it and pulling it back out quickly. Finally my jaw started getting sore, and I had to change tactics to give my jaw a rest.

I planted my mouth over her clit. My lips were slightly parted, and I pressed them firmly to her. Sucking hard, I stabbed at her clit with the tip of my tongue as her body started to tremble, much as mine had done when she was doing me.

It didn't take much longer for me to bring her to a screaming orgasm. I pried my hand between her thighs and thrust two fingers knuckle-deep up her cunt as she had done to me. And as she had done to me, I scissored them inside her.

Her cunt was just as strong as the rest of her body. As it spasmed, it stopped my fingers from moving altogether. Once that passed, my fingers wriggled inside her again. Over and over, her cunt clutched and stopped my fingers, then relaxed.

They actually began to hurt after a minute or so. Hey, she is quite strong up in there. But I didn't pull them out of her; instead, I pressed my hand against her even more, adding pressure to her pleasures as she coated my hand with her slick juices.

When she finally collapsed, we maneuvered ourselves so we were side by side, the water coming down on us like a torrent. It was soothing.

When we caught our breath, I said, "My husband won't believe this."

She chuckled. "You might not want to tell him," she said. "Not many guys are understanding about this stuff."

"Mine is," I told her. "We are diverse in our pleasures. We swing a lot. You got a guy, Erica? Maybe you can join us."

She smiled broadly. "Uh-huh. His name is Al, and it won't take much to get him to come with me. We've never done any swinging, but I know he'll be all for it. This ought to be fun."

It was my turn to smile. "Maybe we can give the guys a show, too. You know how guys like to see two girls together."

And they sure did!

I'm real adventurous and kinda nasty, too. Sex has always been an adventure for me from my first experience to my last. I'm the type of girl who's all in or all out. So when I had to pay my rent and I had no money, the not-so-gentle landlord accepted my sweet, young ass as payment. He started our little session with ass licking and then it all progressed deeper into my ass from there. Now I have to find a way to make the darn car payment.

When Taryn comes home to the sorority house unexpectedly, she gets an education that certainly isn't part of the official curriculum!

In my junior year of college, I was thrown out of the dorm. Too many parties, sneaking too many guys into the dorm...that sort of thing got me tossed. Being a member of a sorority, I moved into the house, just off campus.

Juli, a senior who's been living in the sorority house since her sophomore year, took me under her wing. A statuesque redhead, she's probably a 36D-25-36, and a hard-bodied babe. Add to that facial features straight out of a model magazine—you can understand why she turns a lot of heads.

Not that I'm bad looking either. I stand 5'8" and weigh 123. I sport a 36-23-34 body and it, like Juli's, is a firm, well-toned physique.

Juli will walk from the bathroom to her room naked after a shower. It was unsettling to me at first, but I got used to it.

It was late February when I first experienced the touch of another girl, and yes, it was Juli. I had a mid-term to take and left at nine in the morning. Juli was the only one there when I left. My professor, having caught some bug, had postponed the test, as I learned when I got to the auditorium and saw the note on the door. When I returned, Juli was nowhere visible. I figured she had gone back to bed.

Setting my book bag on the floor, I sat in the big comfy chair in front of the television. Grabbing the remote, I looked up at the screen. There were two naked girls, frozen still. Then I noticed the red light blinking. The VCR was on, and on Pause. I pressed Play.

The moans started immediately. The two girls were in a

laundry room of what looked like maybe an apartment complex. Each was on a machine, facing the other. They supported their weight with their arms; their hands were on the edges of the machines. Their legs were in the air, spread wide, and they were gently bumping their pussies against each other's.

I settled back, feeling a hot twinge course through my pussy. I shed my jacket and unbuttoned my pants. I was sure some big-cocked muscle-man was about to enter the scene and use his big tool, and I was eager to see it.

My hands were down my pants, anxiously awaiting the arrival of the guy. I was driving myself crazy, when I heard Juli clear her throat. I froze when I looked up at her. I had never been caught masturbating before and was deeply embarrassed. "I didn't know you were into girls," she smiled down at me.

"I...ummmmm...well, I..." I didn't know what to say.

"You do know this is a lesbian flick, don't you?" A sly smile spread across Juli's lips. She seemed to be enjoying my discomfort.

"No!" I said quickly, looking for any out of this situation. "I didn't. I'm sorry." I pulled my hand from my clit and started to button my pants. Juli sat on the arm of the chair. "Oh come onnnnnn," she cooed softly. "You've never fantasized about doing a girl?"

My hands were trembling as her arm slid around my head. I admit I had fantasized about it. Having heard a few times, "Who would know better how to please a girl than another girl?" had gotten me wondering. But that was just curiosity—I hadn't done

it. I love guys. Cocks. Suppose sex with another girl was so good that I never wanted a guy again?! I wasn't willing to give up guys!

But with Juli this close and her touch so gentle, I was already giving in. "Watch, doll," she said. "It's all hot girls doing hot things to each other."

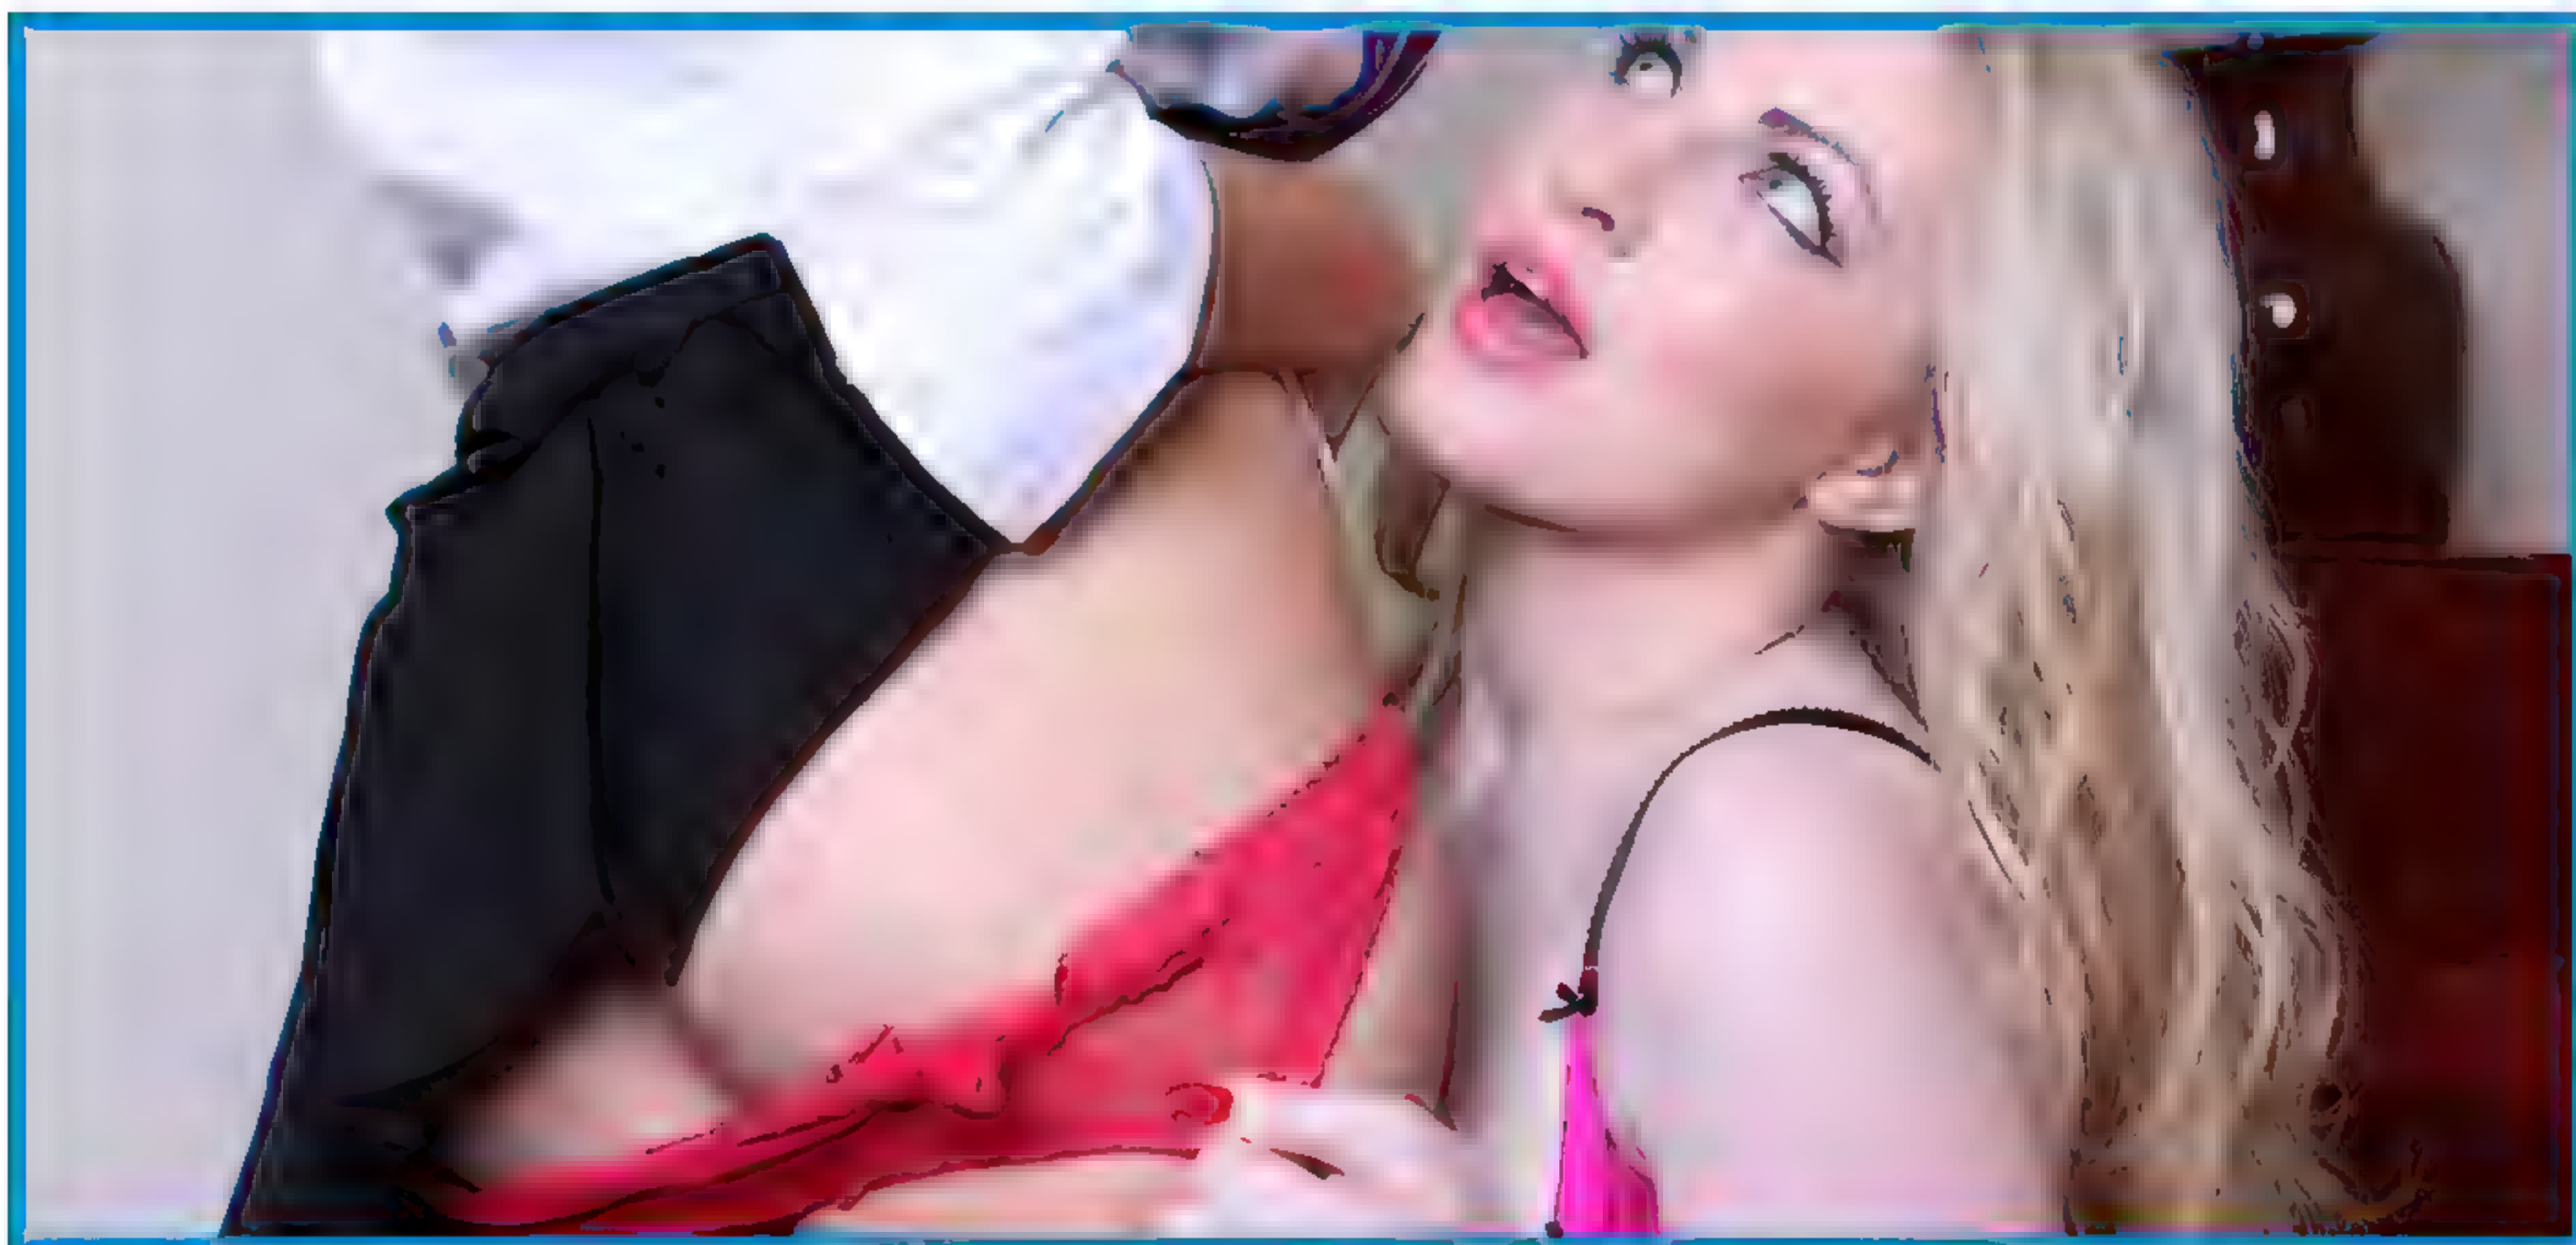

I watched some more. And shortly my panties were sopping wet. I squirmed, trying to hide my raw lust from Juli. But she seemed to notice.

Her hand slid over my shoulder. I was still scared, but I started to loosen up. Stark naked as she was, she looked as sexy as

spinning out of control. Or perhaps it was the novelty of the situation. I don't know. But I do know my body was on fire.

I followed the blonde's suit and arched my hips, giving Juli more access to my pussy. As she slid her tongue through my juicy slit, I peeled by blouse and bra. Her wet, warm oral organ was like velvet caressing the sensitive inner pink, and I was spasming uncontrollably.

Her tongue relaxed and folded back on itself a little. It sank deeper into my hot love tunnel and drove me mad. I felt a shudder ripple through my pussy, and a powerful spasm followed it. My

the gorgeous girls in all the porn movies. She is that sultry and hot. Her hand brushed my breast, and I felt a fiery tingle wash through my body. My pussy was quivering. Suddenly I wanted to rip my clothes off and throw her down and get nasty with her. I wanted to slide my tongue through her slit and taste her pussy juices. I wanted to sit on her face and scream for her tongue.

But I held myself in check. Juli knew I had never done this, and it was obvious she wanted to seduce me. I decided to let her.

"Go ahead, Taryn," she coaxed me as she caressed my breast. Her hand was inside my blouse by this time. "Slip your hand back in your pants and enjoy yourself."

My hands still trembled, but now it was from the tension rising between my thighs. I fumbled with the button again, and she slid off the arm of the chair. Withdrawing her hand, she went to her knees in front of me. Without any hesitation, she started to remove my pants. I lifted my butt to help her.

When I was bottomless, she turned her head to look at the movie. A brunette was lifting and spreading a blonde's legs, then burying her face in the blonde's crotch. "Watch," Juli whispered. She lifted my legs and draped them over the arms of the chair. I had to scoot my butt down as she did so. This brought my pussy a little over the edge of the cushion.

Following the brunette's lead, Juli buried her face between my thighs. The touch of her lips on my pussy-lips sent me into orbit. I was a mile from coming, but already she had my senses

body twitched uncontrollably, and the first orgasm another girl had ever given me caused me to buck my hips and grind my happy pussy into Juli's face.

She stabbed at my swollen clit and sucked my pussy for several minutes, bringing me to a few mind-blowing orgasms. No guy had ever been able to do that to me.

When she raised her head for air, I was only partially satiated. I could have gone for another couple of hours of that. "You wanna taste me?" she asked. I hadn't thought of that yet. But the idea of making another girl feel so good appealed to me greatly. Suddenly my pussy lit up, begging for more.

I lifted my legs and let myself slide off the chair. In her arms I took the lead. Slipping my fingers in her hair, I roughly pulled her face to me and slithered my eager tongue into her mouth. She grabbed it firmly with her lips. I felt my breasts firmly pressed to hers as her sucking on my tongue sent a hot, wild pleasure racing from my mouth to my pussy. Delicious, unadulterated desire filled my breasts, belly, and pussy.

I tilted her back a little, and we fell to the floor. I shifted my position to work my way down her body. I licked, kissed, and nibbled the nape of her neck, her breasts, and her belly. When I got to the sparse red pubes on her mons, I felt her squirming a little. I let her position herself the way she wanted.

She lifted my knee and had me straddle her face. Before I could even touch her wet crease, her lips were kissing my crease.

I eagerly went at her pussy, licking from her clit to the hot, pink flesh inside her hole. Taking the soft, pliant flesh between my lips, I sucked it gently. Her juices acted as a lube, and I slid my sucking lips up and down all that delicious pink delight.

I worked the other side of her pussy as well before returning to her clit. I could feel her temperature rising. Her hips spasmed and her thighs jiggled as she enjoyed what I was doing. Though I'd never done this before, her reactions told me I was doing it right. To my astonishment, I felt my pussy spread wide, like a big, thick cock had penetrated me. I cried out as ecstasy flooded

with the dildo. "Lick my clit, Taryn," she urged me. "Lick it off for me, baby!"

I snaked my tongue out and stabbed at the swollen, hot pink nub. Her body shuddered, and I stabbed at it again. "Nnnnnnn, fuck, yes, that's good! Sooooo good. Make me come, Taryn. Make me come good!"

Her encouragement drove me into it. I took the fat clit between my lips and sucked firmly on it. As I did so, I stabbed and stroked it with my tongue. Her body started to spasm. She was coming.

my loins and came so hard I nearly collapsed. When I looked between our bodies, I saw her pistoning a dildo in and out of me. Where had she had that stashed? Between the sofa cushions? With her free hand, Juli was massaging my clit, too.

I went to orgasm heaven. Now I knew why girls turned to girls. It's true. Who would know how to pleasure a girl better than another girl? Juli finally let me rest. I wanted badly to pleasure her as she had pleased me. But I did need to catch my breath. She had me coming so hard so often, I was spent.

We took a bath together, and that helped to revitalize me. When I was raring to go again, she was more than ready for me.

She led me to her bedroom and from a dresser drawer, she took out a long, double-headed dildo. "How many of these things do you have?" I giggled. I felt like a schoolgirl doing something naughty.

She smiled. "Enough for girls like you to enjoy."

She laid me back on the bed and straddled my face, facing my feet. "Watch what it looks like up close," she said.

I watched as her pussy-lips wrapped around the head of the dildo. She slid it into herself, and I felt my pussy light up again. She slid a good 10 inches of this thing into her soaked pussy. Seeing it up close was about the hottest sight I'd ever seen.

She leaned forward, propping herself up on her right hand. Arching her lower back, she lowered her butt a little. Reaching around her bottom with her left hand, she started to fuck herself

Finally she let out a guttural wail. She convulsed several times as she erupted with that hot, fiery insanity that is intense orgasm.

When she was spent, she lay down on top of me. Gently she kissed my pussy, whispering softly to it. When she rolled off me, I asked her why she had used a dildo. "It was your first time," she said. "Your apprehension was showing. I wanted you to feel comfortable, so I gave you the feeling of a guy, even though there wasn't really one here."

"Well, next time, you don't have to break those things out," I told her.

She grinned. She liked that. "Normally, when I'm with a girl, I don't want them either," she said. "When I'm with a girl, I just want tongue and pussy. When I'm with a guy, I want cock."

"There isn't a single girl in this sorority house who hasn't learned to like pussy." She lifted herself off the bed and took my hand. "Come on. Now that you've learned to like pussy too, there are a few girls who have been secretly drooling over you, and you need to know who they are."

So now the sorority house gives me not only shelter and food but sexual satisfaction as well. Shit, sometimes it seems like I hardly ever leave except to go to classes. I come back to the sorority house, study...and then play. Pussy and study, pussy and study. That's what my life has become.

I have no problem with that whatsoever.

I work in Santa Monica and I love my job, but hate my boss. So rather than let him get the better of me, I've made him my bitch by flashing my perfect boobs at him, sucking his bossy cock, and training him with my tight pussy.
